I am travel to blacksburg today and I am in a mining conference all day tomorrow. I plan on being in hq for 1100 ison rock meeting on wed morning and taking a train after that. . Jon or I need to hear the report out. I asked angela to move to thursday the dd meeting so we both could hear. She is off to penn state shale conference at some point. There is a break at noon tomorrow until 1:00 if that works or I can call in at 500. Randy is at the same meeting. Can you cancel dd meeting if jon isn't going. Jon are you able to go at 300 tomorrow.

Can you call in tomorrow just for the debrief? I'm hearing a preview from Karen Johnson now and recommend that we not push the meeting back.
